## Let's Go Green

*Its time to think about us society and the planet we are living in.*

*We invite you to join hands in this Green living Initiative*

*Ice bergs drown into oceans*

*With north pole melting, becoming an Island*

*With draughts spreading its arm, resources depleting*

*With water over used, electricity wasted,*

*Our next generations face a dark future*

*Every tree we cut, every plastic cup we use,*

*Make the wild life vanish*

*Eternal life of plastic cover gives us nothing less than cancer*

*Effluents, overflowing and still..... invite variety of diseases*

*With increasing heat of earth, with decreasing fertility of soil,*

*With intermittent cyclones, earthquakes, we are bound to*

*suffer hard times.*

*But there is a way out to save our future generations*

*Come, join us to live green! Spare a minute... save our green*

*We shall give our children the chance to dream and sing*

*Sujalam, Suphalam, Malayaja seethalam...*

*Sasya syamalam maataram... vande mataram*

## HUMAN BODY - INTERNAL SYSTEMS
